Dear Charlie

Thank you very much for your emotional and intense song at the Danish Cancer Society's World Cancer Day event at the Royal Danish Theatre's Playhouse.

You and "A Simple Song" made a deep impression and we were all very moved.

We have a great respect for your way of giving hope and encouragement to cancer patients all over the world – you are an admirable and inspiring role model – a very strong survivor . . .

We want to thank you for coming to Denmark. Your participation on February 4th contributed to a special global dimension.

Yours sincerely
